Textile Technology

B.Tech (Minor Degree) Programmes In addition to above mentioned B.Tech programme, the institute offers its meritorious students to earn a minor degree in another engineering discipline in addition to Major degree in the which the student is originally enrolled. The students have to study six additional specialized courses (One in each semester starting from 3rd semester) in the engineering discipline of minor degree. Presently, the following combinations of Major and Minor degrees are operational:

| 5 | |
|--|--------------------------------------|
| B.Tech. Programme in | Available Minor Degree Programmes |
| Bio Technology (BT) | CH, CE, CS, EC, EE, IC, IP, ME,TT |
| Chemical Engineering (CH) | BT, CE, CS, EC, EE, IC, IP, ME,TT |
| Civil Engineering (CE) | BT, CH, CS, EC, EE, IC, IP, ME,TT |
| Computer Science & Engg. (CS) | BT, CH, CE, EC, EE, IC, IP, ME,TT |
| Data Science & Engg. (DS) | BT, CH, CE, EC, EE, IC, IP, ME,TT |
| Electronics & Communication Engg. (EC) | BT, CH, CE, CS, EE, IC, IP, ME,TT |
| Electronics & VLSI Engg | BT, CH, CE, CS, EE, IC, IP, ME,TT |
| Electrical Engineering (EE) | BT, CH, CE, CS, EC, IP, ME,TT |
| Instrumentation and Control Engg. (IC) | BT, CH, CE, CS, EC, IP, ME,TT |
| Industrial and Production Engineering (IP) | BT, CH, CE, CS, EC, EE, IC, TT |
| Information Technology (IT) | BT, CH, CE, EC, EE, IC, IP, ME, TT |
| Mechanical Engineering (ME) | BT, CH, CE, CS, EC, EE, IC, TT |
| Textile Technology (TT) | BT, CH, CE, CS, EC, EE, IC, IP, ME |

Two years regular M.Tech Programmes (Admission Through CCMT)

Department website

Integrated B.Tech-MBA Program (IBM) with IIM Amritsar 🐲 https://www.iimamritsar.ac.in/p/ibm

Two years regular M.Sc. Programmes Chemistry

- Physics Mathematics
- Two years regular MBA Programmes

• Humanities and Management

One year PG Diploma in Management Programme Humanities and Management

The Institute offers PhD programmes in all the departments in various disciplines.

PhD Programmes

PG Diploma in Engineering Programmes

Chemical Engineering

• Electronics and Communication Engineering Instrumentation and Control Engineering

• Computer Science and Engineering

- Structural and Construction Engineering • Geotechnical and Geo Environmental Engineering
- Textile Engineering and Management Design Engineering
- Thermal Engineering Industrial Engineering
